

PPR-X Vet

Complete Care for PPR Disease

Description

PPR-X Vet is dedicated for PPR disease of Goat & Sheep.

Composition

Scientific Combination of

Sodium calcium ascorbyl 2 phosphate, Vitamin E Acetate, Alpha Amino Acid, Kalium Iodide, Elemental Zinc, Elemental Cobalt, Elemental Selenium

Mode of Action

- **Sodium calcium ascorbyl 2 phosphate** - Increases immunity and eliminates any kind of disturbance
- **Vitamin E Acetate and Elemental Selenium** - Acts as an anti-oxidant & increase immunity
- **Elemental Zinc** - Acts as Immuno Booster & increases immunity
- **Alpha Amino Acid** - Assists in protein production & increases immunity
- **Kalium Iodide** - Helps to make thyroid hormone, Contributes to bone development
- **Elemental Cobalt** - Helps in synthesis of Vitamin B₁₂, Helps in the production of red blood cells and has antibacterial and antiviral effects.

Indications & Usages

PPR is a virulent virulence disease of goats and sheep. The mortality rate of animals affected by this disease is very high. But this high mortality rate can be prevented if proper management is taken at the right time.

PPR-X Vet powder helps in faster recovery by boosting immunity in diseases, also

- Helps in quick drying of mouth and tongue sores and stops drooling from the mouth
- Eliminates the harmful effects of diarrhea
- Helps to eliminate disease-causing stress
- Helps to enhance the taste of food
